Anglican Memorial Camp News!

I write to you this day to share some wonderful summer opportunities for participation in our Diocesan Anglican Memorial Camp. As spring begins to make itself known, work is quietly but quickly unfolding behind the scenes to prepare for Camp Season 2026! Our Camp Coordinator Mackenzie “Roo” Kukurudz is busy making plans to ensure that this is a memorable and transformative summer for young people from across our Diocese of Brandon and beyond.

We are actively seeking children who might wish to experience the beauty of Riding Mountain, the energizing waters of Clear Lake, making memories around the Camp Fire, and celebrating new friendships and reconnecting with old friends.

Junior Camp will run from **05-11 July** and welcomes children ages **8-10 years old**.

Intermediate Camp will run from **12-18 July** and welcomes children **10-12 years old**.

Teen Camp will be different this year as we are offering a **Teen Leadership Camp**. This will run from **19-25 July** and will offer opportunities for youth from **Grade 7 and up** to build Leadership Skills, attain Emergency First Aid Training, and opportunities to discover how they might apply their new-found skills as leaders at future camps!

Each of these camps will soon be open for registration. The fee structure will be available shortly on the registration forms. (For children or youth who might struggle to finance the full fee, please reach out to Mackenzie Kukurudz for potential avenues of assistance.)

We are also *seeking potential applicants to work as Cabin Counsellors*. This will be a paid position this year. We are seeking young men and women who can commit to the full Diocesan Camp period of 03-25 July.

In addition to our paid Cabin Counsellors, we are also in search of adult volunteers who would be willing to take on the roles of Chaplain to Intermediate Camp, and Junior and Intermediate Camp Leaders. These roles are essential to ensure that Biblical teaching and living are offered as examples for our campers and counsellors. While these are *volunteer* positions, the rewards are absolutely heavenly!

Interviews for potential Cabin Counsellors and Volunteers will be held later this spring.

If you are interested, please let Camp Coordinator Mackenzie know. Her email is: camp@brandon.anglican.ca

Please remember that Anglican Memorial Camp continues to be a Christian Camp open to children from The Diocese of Brandon, Westman (and beyond) area. Children do not have to be members of Anglican churches. You are welcome to invite grandchildren, neighbour’s kids, or anyone you think might benefit from a week of sharing Christian values, learning about Jesus, and simply having good old-fashioned fun. Adult volunteers and potential Cabin Counsellors are also welcome to come from diverse backgrounds. We simply wish to welcome God’s children to work with God’s children!

Please spread the news and keep your eyes peeled for more AMC updates!

Yours in Christ,

Bishop Rachael Parker
